

Who We Are

Under the auspices of and direction by the U. S. State Department, JFS is one of the largest resettlement agencies in the HIAS network. Annually, the JFS nationally recognized program resettles about 200 individuals fleeing persecution to start a new life of freedom in the United States.

We depend on the generosity of our friends and neighbors to help us, by donating unwanted, gently-used household furnishing. FREE pick up is available in the greater Springfield area. Receipts for tax purposes are provided.

Call Alda at (413) 746-2001 today to schedule a pick up.

**Looking to volunteer?
Call us, we have volunteer opportunities.**
