

## **EMPLOYMENT OPPORTUNITY**

### **Clinical Director**

We are looking for a dynamic, creative manager to join us in improving the lives of individuals and families. The Clinical Director will provide clinical and program leadership to promote a strong integrated, coordinated delivery of services and to ensure quality best practice client care. He/She will focus on meeting the diverse mental health needs in our community overseeing a range of counseling and elder care services. The successful candidate works as a member of the senior management team in guiding the organization's growth and strategic direction.

Clinical responsibilities include staff supervision, training and a small caseload. Administrative responsibilities include program development, managed care and contract management, and community outreach.

A minimum of 5 years experience in clinical supervision and program administration. Experience working with diverse populations. LICSW required. Full-time position with flexible hours. Springfield based.

Starting salary range is \$70,000 - \$75,000 with competitive compensation package.  
JFS is an affirmative action/equal opportunity employer.

Please send cover letter and resume to:  
HR, Jewish Family Service, 15 Lenox Street, Springfield, MA 01108 or email [HR@jfswm.org](mailto:HR@jfswm.org).
