# refugees are great employees!

## who we are

Our experienced employment team helps refugees succeed in the U.S. by offering a variety of job readiness/placement services at no cost to employers. Whether you represent the hospitality, retail, manufacturing, education, agricultural, health care or service sector, we have the ability to fill job openings quickly with eager, qualified and motivated workers.

## why a refugee is good for your company

- legally authorized to work in the U.S.
- flexible, skilled applicants
- excellent job retention
- strong work ethic
- workforce diversity
- potentially qualify for special gov't incentive programs
